BOMBSHELL BLUSH

FACE

Apply a small amount of TRUblend Liquid Makeup to the center of your face and blend outward toward the hairline. Next, apply COVERGIRL + Olay Simply Ageless Sculpting Blush in Lush Berry along the cheekbone up to eye level. Add sculpted dimension by focusing color farther out on the face, rather than the apple of the cheek.

EYES

Your blush is doing double duty! Apply COVERGIRL + Olay Simply Ageless Sculpting Blush in Lush Berry to the eyelid, blending color outward to meet your cheek color. Pat recommends finishing with multiple coats of COVERGIRL LashBlast 24 Hour mascara on the top and bottom lashes for a full, lush lash look that lasts up to 24 hours.

LIPS

Line lips with COVERGIRL LipPerfection™ Lipliner in Passion. Fill in the lips completely. Finally, perfect lips with COVERGIRL LipPerfection™ Lipcolor in Hot.
