

## 67 **Riz Rollins**

Riz is a DJ who has become a Seattle institution in and of himself. His weekly night at Re-Bar has held—as long as anyone's been counting—the title of the longest running club night in Seattle history. Electronic, hip-hop, reggae, drum 'n' bass: you name it, he spins it. He is truly an icon of Seattle's nightlife and possibly the most versatile DJ this city has ever known.
