Thousands of movies at your fingertips

The world's largest video store is now in your living room with over 100,000 movies and shows from Netflix, Amazon Instant Video and Hulu Plus.

Far superior search

Premiere not only finds what you want on TV, it seamlessly combines search results from the web and your cable channels, so you can find the best choice right from your TiVo remote.

YouTube and Pandora on your HDTV

There's no need to run to your computer any more. With Premiere, you can watch YouTube videos and enjoy customized Pandora radio stations on your HDTV.

The world's most innovative DVR.

Stunning, simple-to-navigate interface

The intuitive and easy-to-use HD interface makes finding what to watch as much fun as actually watching it.

Get personalized suggestions

Premiere gets to know what you like and makes suggestions accordingly—an experience you won't get with any other DVR.

Find something great to watch

In the mood for an Oscar, Emmy or Sundance winner? They're easy to find in seconds with Collections, our exclusive browsing feature.

Suddenly, TiVo is going places.

The ultimate TiVo companion

Download our free smartphone and tablet apps and put the full power of TiVo in the palm of your hand. Search, browse, schedule and share without interrupting the show you're watching. It's a groundbreaking new way to interact with your TiVo Premiere at home or on the road.

Compatible with iPad, iPhone, iPod touch® and Android devices.

Online and mobile scheduling

Browse and schedule recordings from anywhere using your laptop, smartphone or tablet.

Multi-Room Streaming*

With two or more TiVo Premiere DVRs connected to your home network, you can stream recorded shows between DVRs. Start a show in the living room and finish it in the bedroom.

Take your favorite shows on the road

TiVo has two great options to take your shows to go. TiVo® Desktop Plus moves content between your computer, DVR and mobile devices. And now watching shows on your mobile devices is even easier with the new TiVo Stream.

* Not all programs may be transferred due to the use of copy protection mechanisms permitted under the FCC's encoding rules. Some shows cannot be transferred due to the copy protection assigned them by the program provider. These shows usually are marked with a red circle-slash icon. (47 C.F.R. 76.1904)

Introducing TiVo® Stream

Your favorite shows go where you go

The groundbreaking TiVo Stream introduces elbow room to the TiVo experience. Stream your shows to mobile devices connected to your home network. Watch in the kitchen, den or even the backyard. Or transfer your shows to your mobile devices and hit the road.* Suddenly, the best things on TV are no longer stuck on TV.

Compatible with iPad, iPhone and iPod touch devices running iOS 5.1 or higher (sold separately). Requires at least one TiVo Premiere DVR and the TiVo app.
