

# LOGITECH® HARMONY ONE

## ADVANCED UNIVERSAL REMOTE

One touch changes everything—  
with endless entertainment control

One touch. That's all it takes to watch TV, access music or start your movie. With simple, stylish touch-screen control of up to 15 devices, this may be the only remote you ever need.

### REPLACES UP TO 15 REMOTES. WORKS WITH 5,000+ BRANDS.

- Supports 225,000+ entertainment devices
- Simple online setup—download commands to your remote using your Windows PC or Mac computer
- Online device database is updated daily—your remote will never become obsolete

#### FEATURE AT A GLANCE

#### One-touch simplicity

- One-touch activity controls like “Watch a DVD” turn on all the right devices in the right order
- Customizable screens—channel icons let you jump right to your favorite channels

#### Easy Recharging

- Included dock keeps your remote charged and always at hand
- No batteries to buy or replace

#### Simple guided online setup

- Connect the remote to your computer—online software guides you through quick setup
- Live customer support if you need it

#### Sculpted, backlit buttons

- Varied button shapes are grouped in logical zones for intuitive entertainment control
- Bright backlighting for easy navigation in home theater darkness

#### WORKS WITH

##### Windows-compatible PC or Mac\* setup

- Windows 2000, Windows XP, Windows Vista or Windows 7
- Macintosh OS X 10.3 or later
- USB port
- CD-ROM drive
- Internet access

#### WHAT'S IN THE BOX?

- Remote control
- Charging station
- USB cable
- AC adapter
- Lithium-ion battery
- Installation CD
- User documentation
- 1-year limited hardware warranty
