

Logitech®

Squeezebox™ Duet

Wireless Network Music Player with Hand-Held Wireless Controller

Listen to the Music You Love in Any Room in Your Home

Enjoy CD-quality audio on your home theater system, your bedroom stereo, or your kitchen mini-system – anywhere you have audio gear. Featuring a high-quality receiver and an intuitive controller with color screen, the Squeezebox™ Duet makes it easy to browse, select, and play songs from your computer or Internet radio and music services.

Key Features

- Intuitive hand-held controller with color screen for easy access to all your digital music
- High-fidelity 24-bit DAC for crystal-clear digital audio
- Support for all major digital music formats for playing all of your favorite songs
- No need to run wires – wireless technology for clean, clutter-free installation
- Rechargeable lithium-ion battery with sleek recharging stand

Logitech®

Squeezebox™ Duet

Wireless Network Music Player with Hand-Held Wireless Controller

Logitech®

Intuitive Hand-Held Controller with Color Screen for Easy Access to All Your Digital Music

Featuring a 2.4-inch color display, the Squeezebox™ Controller makes it easy to browse, select, and play songs from your personal collection, Internet radio, or even online music services.

High-Fidelity 24-bit DAC for Crystal-Clear Audio

The music player includes a high-fidelity 24-bit DAC and sophisticated audio rendering technology for crystal-clear CD-quality audio.

Support for All Major Digital Music Formats for Playing All of Your Favorite Songs

The music player supports all digital music formats, so you can be confident that you can play all your favorite music anywhere in your home.

No Need to Run Wires – Wireless Technology for Clean, Clutter-Free Installation

With advanced wireless technology (802.11g), you won't need to run any clumsy cables or wires across rooms or through walls to bring your music to any room in your home.
