

Logitech®

Portable Lapdesk N315

Heat protection, comfort, and mouse tracking everywhere.

Keep cool and comfortable everywhere

Logitech® Portable Lapdesk N315. Keep cool and comfortable wherever you use your notebook. It helps protect your lap from heat however you're sitting. The retractable mouse pad lets you use your mouse anywhere. And your lapdesk is so lightweight, it's ready to slip into a laptop bag (15.6" or larger).

Key Features

- Protects you from notebook heat
- Designed for use with your mouse
- Thin (12 mm/0.5 inch thick) and lightweight

Portable Lapdesk N315

Heat protection, comfort, and mouse tracking everywhere.

Feature Spotlight/Focus

Don't feel the heat

Your lap is comfortable beneath your notebook computer.

Mousing freedom

A retractable pad gives you a surface to use your mouse.

Thin is in

It's thin and lightweight enough to slide into a laptop bag (15.6" or larger).

Perfect for use with your Netbook

When your lap is the best spot

The whole point of having a notebook computer is to free yourself from a desk. And now, you can be hassle-free when you're using it on your lap. From cooling to convenience, Logitech is here to help you get the most from your laptop wherever you and your notebook computer are together.

System Requirements

- Can be used with PC and Mac® notebooks with up to a 15.6-inch display.

Package Contents

- Lapdesk

Warranty

- 3-year limited warranty
