

Logitech® Webcam C250

For crisp, colorful video calls in one click

Even if you've never used a webcam before, Webcam C250 makes high-quality video calls a breeze. With its enhanced VGA sensor, your friends and family will see you in video that's crisp and colorful. And you can start calling right away with Logitech's one-click-to-call video calling software, built right into the webcam.

Create a world that is uniquely yours with a colorful notebook accessory from The Logitech Fantasy Collection. (Each product sold separately.)

FEATURE AT A GLANCE

Vivid 1.3 MP photos
Take and share colorful snapshots, software enhanced up to 1.3-megapixels

Built-in video calling
Clear, full-screen video calling is fast, free and easy for you and anyone you want to talk to with included Logitech Vid.

Integrated mic and universal clip
Enjoy clear conversations with a webcam that attaches easily to LCD monitors and ultra-thin notebooks.
