

# Surround Sound Speakers Z623

## Gaming Made More Real

Bring your music, movies and games to life with 200 watts of window-rattling power, studio-quality THX-certified audio and deep, fat bass you can feel.

### Genuine THX-certified audio

Quality you can count on—these speakers achieve the strict performance standards required for THX certification

### FEATURE AT A GLANCE

#### 200 watts of room-filling power

Listen as loud as you want to with immersive audio you can hear and feel.

#### Powerful 2.1 speaker system

Two high-performance satellites and a powerful subwoofer deliver crisp high notes, warm mid-range and deep bass.

#### Easy entertainment connections

RCA and 3.5mm inputs make it easy to plug in up to three audio devices—iPod, game consoles, computers and more.

#### Quick sound controls

On-speaker volume and bass dials give you instant command over your listening experience.
