

Logitech® Gaming Keyboard G510

The tools and intel you need to win

You'll be well armed for battle with this powerful keyboard for hardcore gamers. Get the real-time information and customizable control you need to step up your gaming speed, accuracy and victories.

FEATURE AT A GLANCE

GamePanel LCD

Lets you keep an eye on vital stats, VOIP data, system performance and more—without leaving the game.

Custom-color backlighting

Personalize your keyboard and easily locate keys in the dark with a variety of character backlighting colors.*

Headset-ready USB audio

Headphone and mic jacks—use any analog headset with 3.5 mm plugs for clear communication in pure digital sound.

18 programmable G-keys

Configure up to 54 single keystrokes or intricate macros—and record them on the fly without exiting the game.*

* Requires software installation
