

LOGITECH® HARMONY 900

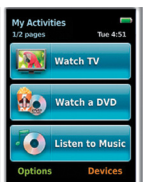

One touch changes everything— even through media cabinet doors

Now you can effortlessly control your entertainment system—and living room clutter—with one touch. With a color touch screen and powerful wireless RF system, Harmony 900 lets you keep a cabinet full of electronics out of sight and in complete control.

REPLACES UP TO 15 REMOTES. WORKS WITH 5,000+ BRANDS.

- Supports 225,000+ entertainment devices
- Controls up to 15 video, audio and music devices
- Online device database is updated daily—your remote will never become obsolete
- Simple online setup—download commands to your remote using your Windows PC or Mac computer

FEATURE AT A GLANCE

Full-color touch screen simplicity

- One-touch activity controls like “Watch a DVD” turn on all the right devices in the right order
- Bright backlighting for an easy read—even in the dark

RF control of hidden devices

Included RF wireless system lets you control devices inside a closed cabinet—without even aiming the remote.

Sleek recharging dock

- Keeps your remote charged and always at hand
- No batteries to buy or replace

Ergonomic control

- Balanced, contoured design fits comfortably in your hand
- Varied button shapes are grouped in logical zones for easy entertainment control
