

Easily get to your Google world on the first full-size Chromebook.

The HP Pavilion 14 Chromebook gives you fast and easy access to the things you love and depend on, from a world of Google apps and services to your photos and social networks. And since it's the first Chromebook with a 14-inch diagonal design, you get full-size comfort without giving up full-on mobility.

Enjoy instant access to your digital life.

- With your apps, documents, photos, and more stored in the cloud with more security, the HP Pavilion 14 Chromebook gives you fast access to your digital life in more places.^(12t)
- Boot up or wake up quickly. Thanks to a solid-state drive (SSD) and cloud storage, you can get to all your favorite stuff faster.
- Get automatic updates of calendar events, email, status updates, and tweets so you don't miss a thing.^(12t)
- Chromebooks are effortlessly simple right out of the box. And with automatic updates to your apps and the Google Chrome OS, your software and security is kept up to date without you having to lift a finger.
- Keep your Chromebook free from viruses and malware, and your mind free from worry. Extra hardware security is built right in, helping to ensure your personal data stays that way.

The World's first full-size Chromebook.

- We gave it a 14-inch diagonal HD display so you can see and do everything comfortably. At less than an inch thin and starting at 3.96 lb (1.8 kg), it's small enough to take anywhere.
- Sometimes only a face-to-face conversation will do. With the HP TrueVision HD Webcam,⁽¹²⁾ you always come off looking your best. Even in low light.
- The HP Pavilion 14 Chromebook is packed with the ports you need, so you can be confident that connecting to displays and other devices will be hassle-free.

Experience more. Enjoy more. Every day.

- Make your games come to life with Intel® HD graphics.⁽⁴⁾
- Go up to 4 hours and 15 minutes without recharging.^(11f)
- Stay connected to friends, family, and colleagues at wireless hotspots with Wi-Fi 802.11.⁽⁸⁾
- Connect to Bluetooth® mice wirelessly.^(8f)

The Web without the wait.

- Experience the web the Chrome way. Just start typing into the browser and pages load at blazing speed, so you don't have to wait for the stuff you want.
- Make your Chromebook uniquely you. Shop the Chrome Web Store and download apps for just about anything, from financial tools to games to social networks.

Help save more than the earth.

Save time and money, too. Now recycling your HP and Compaq products is more convenient than ever—and totally free! Get your recycling voucher, then drop products off at a FedEx Office (more than 1,700 US locations) for packing and shipping. Or, get cash back, a gift card or options to donate computer hardware (any brand) with residual value, plus the option to recycle it. Responsible recycling has never been easier!

Here to keep you happy.

Our customer support team wins awards for doing what they do best: helping people like you. Learn about services and support options that supplement or extend your standard coverage. Check the label placed on the bottom cover (or inside it if removable) for your warranty period.⁽¹³⁾

During your limited warranty period you get:

- 24 x 7 technical assistance via online chat, email, or phone
- Parts and labor coverage, including customer-replaceable parts, return of equipment to HP, and authorized service provider options
- 24 x 7 toll-free technical and limited software support in English or Spanish at 1.800.474.6836

- 1-Year Limited Hardware Warranty with Toll-Free Support (NA)
- 1-Year Free Hardware Technical Support
- 30-Days Free Limited Software Support with 1-Year (from date of purchase) with Product Registration.

⁽²⁾ 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Dual-core/triple-core/quad-core/six-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. See www.intel.com/info/em64t for more information. ^(2a) GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. ^(2c) Intel's numbering is not a measurement of higher performance. ⁽³⁾ High-definition (HD) content is required to view high definition images. ⁽⁴⁾ Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. ⁽⁶⁾ 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software. ⁽⁸⁾ Wireless access point required and not included. ^(8f) Bluetooth is a trademark owned by its Company under license. ⁽⁹⁾ Weight and system dimensions may fluctuate due to configuration and manufacturing variances. ⁽¹⁰⁾ Actual speeds may vary. ^(10a) Internet service required and not included. ⁽¹¹⁾ Testing conducted by HP using Google Chrome OS power_LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details. ⁽¹²⁾ Internet access required and not included. ^(12a) Wireless access point and internet service required and not included. ⁽¹³⁾ Support options are subject to change. ⁽¹⁴⁾ EPEAT registered where applicable/supported. See www.epeat.net for registration status by country. ^(14a) All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower by model. ^(14b) Meeting the evolving definition of "BFR/PVC-free" as set forth in the "INEMI Position Statement on the 'Definition of Low-Halogen' Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. External power supplies, power cords, cables and peripherals are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. WWAN is not BFR/PVC free. ^(14c) Arsenic and its compounds were not detected using US EPA Test Methods 3052 and 3052/6010b by ICP or ICP-AES. ^(14d) SmartWay: US/Canada only. ^(14e) Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area.
