

The companion PC that lets you rock wherever you roll.

Meet the HP Mini 210, the world's only companion PC with Beats Audio™. Hear music the way the artist intended with amazing sound quality. Carry a sophisticated, colorful device designed to go wherever you do. Talk face to face with a webcam,⁽¹⁵⁾ surf the web⁽¹⁵⁾ on a brilliant display, and take work files, videos, photos, and tunes—with room to spare.

HP Mini 210

The new HP Mini 210 gives you high-quality entertainment and high productivity, a combo that rocks when you're on the go. Built-in Beats Audio™ sets a new standard for music listening and cinematic sound in companion PCs. Movies go mobile on the HP BrightView Infinity display with the option of adding an external USB DVD player. Plenty of storage means you can tote tons of work files, photos and videos. Get all this and more in the new HP Mini 210, your perfect companion!

- 10.1" diagonal WSVGA HP BrightView Infinity LED display (1024 x 600)⁽⁸⁾
- Genuine Windows® 7 Starter (32-bit)
- Get up to 11 hours of battery life on a single charge and never slow down.⁽²⁸⁾
- Stream HD video with the Intel® Atom™ processor N570 (dual-core).
- Enjoy clear images and smooth video playback in HD with Intel® Graphics Media Accelerator 3600.⁽⁶⁾
- Award-winning HP Imprint finish in super-matte charcoal gray.
- Protection against cybercrime with 60-day Norton Internet Security subscription; optimized for your PC and ranked #1 in protection and performance. Surf, shop and bank online safely.⁽¹⁹⁾⁽⁴⁹⁾

Get all this in your Mini 210 too.

- Beats Audio™ for the best sound experience available on a PC today
- HP Mini Webcam with integrated digital microphone⁽¹⁵⁾
- 3 USB ports
- Digital Media Reader for SD and Multimedia cards
- DLNA Certified® to stream music, photos and videos to devices anywhere in your home. Seamless! (Requires DLNA Certified® devices and Windows® Media Player 12)

Rely on HP to bring you a notebook this tough.

The U.S. Air Force relies on HP to support its cyber warfare strategy and as its preferred technology vendor to run critical operations. The Navy, to keep its defense network secure. Understandably so: HP notebooks are engineered to meet select US Department of Defense standards for equipment used in combat to help ensure they survive in extreme conditions for high temperature, humidity, shock and vibration.⁽⁵⁰⁾ Our notebooks must survive extreme temperatures while running—a full 6 degrees hotter than the hottest day recorded in Death Valley, CA, to date.⁽⁵¹⁾ Before releasing this HP Mini 210 model for consumer use, we put it through a minimum of 140 tests, consuming at least 95,000 hours—all to help ensure it can outlast the rigors of daily life.

High quality entertainment? It's a natural!

Major studios have long relied on HP technology when making blockbuster movies, from Disney's Fantasia (1940) to DreamWorks Animation's Kung Fu Panda 2 (2011). No wonder your HP Mini 210 notebook delivers outstanding entertainment value: it's in our DNA..

- Hear what you've been missing with Beats Audio™, available exclusively from HP. In collaboration with Dr. Dre, Will.i.am and Interscope Records founder Jimmy Iovine, HP audio engineers now deliver the best audio experience available on a PC today. HP notebooks with Beats Audio™ do things differently: Eliminate electronic background noise; go from whisper quiet to blasting loud without flattening out the sound; add powerful amplifiers for full-bodied sound – and a bass boost button to pump up volume even more. Beats Audio™ lets you hear – and feel – all the music, just as the artist intended.
- Vivid color sweeps across HD⁽⁸⁾ content with the brilliant HP BrightView display. Dive in!
- Sometimes bigger is better. The HDMI port on your Mini 210 notebook connects to your HD-TV⁽⁴³⁾—so everyone can watch together!

Relax with 24 x 7 support.

HP Total Care provides award-winning service and support for your computer. Visit to learn about services and support options that supplement or extend your standard coverage. Check the label placed on the bottom cover (or inside it on select models) for your PC's warranty period.⁽³²⁾

During your limited warranty period you get:

- 24 x 7 technical assistance via online chat, email, or phone
- Parts and labor coverage, including customer-replaceable parts, return of equipment to HP, and authorized service provider options
- 24 x 7 toll-free technical and limited software support in English or Spanish at 1.800.474.6836

In addition, and at no charge, you get lifetime access to:

- HP Support Forum in English, French, or Spanish
- HP Support Assistant: click the icon in your taskbar or desktop for easy access to automated maintenance, built-in diagnostic tools, and a choice of assistance options. Visit to learn how HP Support Assistant can help you keep your PC up to date and get assistance when you need it.

ecoHIGHLIGHTS

- Skype^(15e)

^(2b) 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Dual-core/triple-core/quad-core/six-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. See www.intel.com/info/em64t for more information. ⁽³⁾ Intel's numbering is not a measurement of higher performance. ⁽⁴⁾ GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. ⁽⁶⁾ Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. ⁽⁷⁾ 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 24GB of system disk is reserved for system recovery software. ⁽⁸⁾ High-definition (HD) content required to view high definition images. ⁽⁹⁾ Actual speeds may vary. ^(10a) Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. ⁽¹²⁾ Weight will vary by configuration. ⁽¹³⁾ Internet access required and sold separately. ^(15a) Internet access required and sold separately. Additional charges may apply. ^(15d) Registration and internet access required and sold separately. ^(15e) Internet access required to access the service and is not included with HP products. For terms and use go to www.rara.com. ^(15f) Internet access required and sold separately. LoJack Theft Protection software subscription charges apply. ^(17a) Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. ^(19b) Internet access required. First 60 days included. Subscription required for live updates afterwards. ⁽²²⁾ Meeting the evolving definition of "BFR/PVC-free" as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen' Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. External power supplies, power cords, cables and peripherals are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. WWAN is not BFR/PVC free. ⁽²⁸⁾ Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark www.bapco.com/products/mobilemark2007 for additional details. ⁽²⁹⁾ Support options are subject to change. ⁽³⁰⁾ EPEAT registered where applicable/supported. See www.epeat.net for registration status by country. ⁽⁴³⁾ HD images required for HD performance. ⁽⁴⁴⁾ IDC Worldwide Quarterly PC Tracker, 2010Q4. ⁽⁴⁶⁾ Arsenic and its compounds were not detected using US EPA Test Methods 3052 and 3052/6010b by ICP or ICP-AES. ⁽⁴⁷⁾ SmartWay: US/Canada only. ⁽⁴⁸⁾ Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. ⁽⁴⁹⁾ Based on Passmark Report www.norton.com/passmark2011 and Dennis Technology Labs www.norton.com/dennislabs2011. ⁽⁵⁰⁾ Based on testing performed in HP Labs. HP EliteBooks are designed to meet MIL-STD-810G standards for temperature (501.1), humidity (507.5), shock (516.6) and vibration (514.6) and more. HP consumer notebooks may pass the same HP-internal testing criteria for high temperature, humidity, shock and vibration as EliteBooks but are not designed, or promoted as appropriate, for rugged use. ⁽⁵¹⁾ Based on testing performed in HP Labs. Actual product may vary from image shown on datasheet. ©2012 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice.
