

# hp HP 2711x 27-inch LED Monitor

Bigger just got better with a breathtaking 27-inch screen fused with high screen performance.

- Full HD 1920 X 1080 resolution
- 3,000,000:1 Dynamic Contrast Ratio
- LED backlighting
- Ultra-slim 27-inch diagonal monitor

## Maximize Your Visual Experience

Envision a 27-inch panoramic view, a strikingly thin monitor combined with high screen performance and features to help you be environmentally responsible. Inspiration becomes a reality with the HP 2711x 27-inch diagonal LED monitor. Bigger can be better with this dazzling monitor and convenient attributes:

- Ultra-slim 27-inch LED monitor (approximately 1-inch deep) looks perfect on any desktop
- VGA and HDCP Supported DVI-D and HDMI inputs easily connect to all your digital applications, HP PC or notebook
- Stylish, sleek exterior with tilt and slide adjustment for a comfortable view
- 170/160 degree viewing angles

## The Advantages of LED

As small solid state devices, LED (Light Emitting Diode) backlighting delivers a variety of benefits over traditional CCFL (cold cathode fluorescent lamp) panels:

- Reduces the number and overall size of components for an exceptionally thin monitor
- Creates deeper blacks for ultra-high dynamic contrast ratio
- LED backlights turn on quicker than CCFL panels
- Helps reduce our environmental impact

## Spectacular Screen Appeal

Take in sharp, detailed imagery in Full HD<sup>(1)</sup> while surfing the Internet, working on projects, editing videos, or streaming shows online with screen performance features that include:

- 3,000,000:1 Dynamic Contrast Ratio<sup>(3)</sup>
- Full HD<sup>(1)</sup> 1920 X 1080 resolution
- BrightView technology to help reduce glare
- QuickView modes optimized to match screen performance with the content of your choice
- 300 nits of Brightness (maximum)
- 5 ms on/off response time reduces blur
- 72% color gamut

## Designed with the Environment in Mind

The HP 2711x monitor provides a variety of solutions to help you reduce your environmental impact. Take steps to "go green" with:

- Mercury-free LED backlighting helps lower power consumption
- Arsenic-free<sup>(2)</sup> display glass
- Recyclable plastics and packaging to reduce our environmental impact
- Ultra-thin profile and detachable base allow smaller packaging to fit more product on a truck, thereby helping to lower fuel use and CO2 emissions
- ENERGY STAR<sup>®</sup> 5.0 qualified
- EPEAT<sup>®</sup> Silver registered
- SmartWay<sup>SM</sup> Transport Partnership

## Relax with HP Reliability

Backed by award-winning HP worldwide service and support, your needs are covered. The HP 2711x monitor is fully tested and has a limited warranty that includes parts, labor, toll-free technical support and real-time chat.

THE COMPUTER  
IS PERSONAL  
AGAIN.
