Just Right For Your Needs.

The Compaq Presario CQ1 is an All-in-One PC that includes all your computing essentials and a few extras built-in at a price worth cheering about. It fits the PC and display into a slim, easy to use, and affordable package that meets your basic computing needs and fits in any environment so you can save and look good doing it.

AMD VISION Technology accelerates everyday applications so that you can live life in real time. Rich graphics and powerful processing technology help provide a revolutionary visual experience so you can enjoy:

- Responsive, reliable performance and efficient multitasking
- Smooth and vivid HD video playback
- Quicker web browsing and media playback(15)
- Full-sized PC performance in a sleek, All-in-One package

In tests conducted by AMD Performance Labs, the AMD Fusion Processor E-350 showed up to 3 times faster performance (with hardware acceleration on) with Microsoft Internet Explorer 9 (29 FPS vs 7) and Firefox 4 using DirectX 9 and Direct2D as compared to hardware acceleration off.

Save Space

- Built in 20" display, speakers and wireless capability make this an easy to use, streamlined PC.
- Space-saving design puts your entire PC on top of your desk while concealing antennas, cables, and messy peripherals for a clean, uncluttered computing space.

Save Money

- Affordably priced all-in-one computing. The display is included in the PC so there is one price, one warranty, and one efficient power supply.
- Pre-loaded and easy to use applications address your communications, entertainment and productivity needs.

Save Energy

Energy Star® qualified.(28) One power cord and an efficient power supply provides for the entire solution (as compared to multiples needed for traditional tower and display combinations)

Relax with 24/7 Support

Compaq stands behind our products and protects your investment with award-winning service and support available around the clock by phone, e-mail, and online.(10)

- HP Total Care offers expert assistance 24 x 7:
  - Toll-free telephone support at 1 800 OK Compaq (1.800.652.6672) in English and Spanish in the United States or English and French in Canada.
  - E-mail, usually answered within one hour.
- From your desktop: The HP Support Assistant desktop icon offers one-click access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.

ecoHIGHLIGHTS

Compaq Presario CQ1-2025 All-in-One PC

HP is committed to delivering energy efficient products and services. HP reduces resource use and waste in the design, manufacture, packaging and transportation of our products.

- All Compaq Presario CQ1 All-in-One PCs are ENERGY STAR® qualified (including the latest 5.0 specifications).

[1] Microsoft® and Windows® are registered trademarks of Microsoft Corporation.This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[2] Processor speed 1.60GHz, 1MB L2 cache. [3] Up to 256MB of main system memory may be allocated to support video graphics. [4] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 14GB of storage space is reserved for the system recovery software. [6] Actual speeds may vary. Does not permit copying of commercially available DVD movies or other copyright-protected materials. Intended only for creation and storage of original material and other lawful uses. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. LightScribe creates a grayscale image similar to black and white photography. LightScribe media required and sold separately. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. Data transfer rates up to 6,000 KB/s (CD read/write) and 21,632 KB/s (DVD read/write). Data transfer rates up to 3,600 KB/s (CD read/write) and 10,816 KB/s (DVD read/write). [10] Internet access required and sold separately. [13] Intended for your original content and other lawful uses. Do not copy copyright-protected materials. [14b] Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and www.office.com [15] Internet access requires payment of additional fees or subscription for use. Offer does not include local telephone company charges, if any, or applicable taxes. Any long distance charges incurred will be the responsibility of the customer. Please make sure your access number is local. A valid credit card is required to initiate the service. This offer valid in the U.S.A. only. Additional terms and conditions may apply, see AOL offer for details. [16] Part of the total system memory (RAM) is used for graphics/video performance. System memory dedicated to graphics/video performance is not available for other use by other programs.

[19] Wireless access point and Internet service sold separately. The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices. [28] According to estimates made using EPA statistics comparing PCs with and without power management. [33] High-definition content required to view HD images.
