^(4c) For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. ⁽⁷⁾ GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. ⁽¹⁰⁾ Internet access required and not included. ^(10a) Internet access required and not included; registration required. ^(10b) Available on planes that offer Wi-Fi. ⁽¹⁹⁾ Wireless access point required and not included. ⁽²⁶⁾ Bluetooth® is a trademark owned by its proprietor and used by Hewlett-Packard Company under license. ^(30a) Testing conducted by HP consisting of full battery discharge with 720p video playback the speaker as the audio output device with the volume setup to maximum. Prior to testing, the system was fully charged and set to display brightness of 150 nits, and setup on flight mode. Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. ⁽³³⁾ High-definition (HD) content is required to view high definition images. ⁽³⁷⁾ Supported on Android and iOS operating systems. Snapfish mobile app download and Snapfish membership required. Internet service required and not included. ⁽⁶⁰⁾ 24x7 support available only in North America. Rest of world is supported during normal business hours. ⁽⁶⁰⁾ Click on the Box tile on the Start screen of your HP computer and register for a new account to receive the offer. Offer valid through December 31, 2014. ⁽⁷⁶⁾ 4G connection speeds will vary due to location, environment, network conditions, and other factors. Available in U.S. only. See www.T-Mobile.com for current rates. ^(85b) Use of HP ePrint Home & Biz app requires Internet- and email-capable smartphone or tablet with separately purchased wireless Internet service, an Internet connection to the printer, and HP Web Services Account Registration. Wireless performance is dependent upon physical environment and distance from access point. Both the printer and mobile device must be on the same wireless network. Wireless operations compatible with 2.4 GHz routers only. See www.hp.com/go/mobile-printing-solutions for details on compatible devices and supported documents and file types. ⁽⁹⁷⁾ Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area. ^(97a) Regions and countries will vary. Confirm with your group. Actual product may vary from image shown on datasheet. ©2013 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice.
