<sup>(6c)</sup> For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. <sup>(7)</sup>GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. <sup>(10)</sup> Internet access required and not included. <sup>(10a)</sup> Internet access required and not included; registration required. <sup>(19)</sup> Wireless access point required and not included. <sup>(26)</sup> Bluetooth® is a trademark owned by its proprietor and used by Hewlett-Packard Company under license. <sup>(30)</sup> Testing conducted by HP with MPEG4 video playback stored on the SD card with wired stereo headphone (which may or may not be included with your particular product) at middle volume as the audio output device. Prior to testing, the system was fully charged and set to display maximum brightness, background illumination enabled, screensaver disabled. Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. <sup>(37)</sup> Supported on Android and iOS operating systems. Snapfish mobile app download and Snapfish membership required. Internet service required and not included. <sup>(58)</sup> 24x7 support available only in North America. Rest of world is supported during normal business hours. <sup>(76)</sup> Weight and system dimensions may fluctuate due to configuration and manufacturing variances. <sup>(85b)</sup> Use of HP ePrint Home & Biz app requires Internet- and email-capable smartphone or tablet with separately purchased wireless Internet service, an Internet connection to the printer, and HP Web Services Account Registration. Wireless performance is dependent upon physical environment and distance from access point. Both the printer and mobile device must be on the same wireless network. Wireless operations compatible with 2.4 GHz routers only. See [www.hp.com/go/mobile-printing-solutions](http://www.hp.com/go/mobile-printing-solutions) for details on compatible devices and supported documents and file types.
