

HP W2271d 21.5-inch LED Backlit LCD Monitor

Value-priced with all the essentials.

Affordable doesn't have to mean low-budget. Get a sleek, redesigned thin-profile LED monitor with an expansive 21.5-inch diagonal HD⁽²⁾ screen, plus VGA and DVI-D inputs at an unbelievably low price point. Enjoy remarkable brightness, contrast, and clarity in an environmentally responsible design that's easy on the wallet.

The budget-friendly display with a high-class design

- Updated with a sleek refined texture, this is the everyday display that you'll want to show off.
- Save space and satisfy your sense of style. Place the compact, thin design wherever you need it.

High-class presentation features and a large screen for multitasking

- Multi-task on the large 21.5-inch diagonal screen, perfect for surfing the web, catching up on finances or chatting with friends and family.⁽¹⁰⁾
- Enjoy crisp clear views of your documents, web content, videos, and games with 1920 x 1080 HD⁽²⁾ resolution, 3M:1 dynamic contrast ratio, and 5 ms on/off response time.⁽⁹⁾
- Get easy device connectivity from VGA and DVI-D inputs.

HP and the environment, on your side

- Help reduce your power consumption and energy costs with an intelligent, energy-efficient design built with the environment in mind.
- Mercury-free LED backlighting, arsenic-free display glass,⁽⁶⁾ 98% recyclable components, and recyclable packaging are just a few of the responsible details of the display.
- Gain peace of mind from HP's award-winning service and support. Relax with a standard, 1-year limited warranty, and take advantage of real-time chat and prompt e-mail responses from our friendly team.
- Low Halogen⁽¹²⁾
