> FBA Small and Light

1 Getting Started

- Log in to Seller Central.
 - <https://sellercentral.amazon.com>
- Click the **Inventory** link at the top of Seller Central.

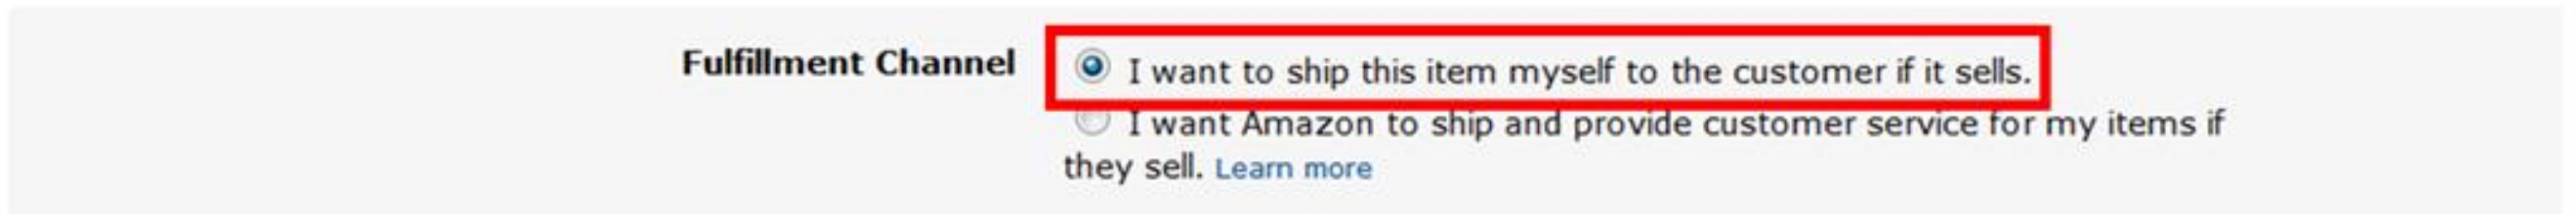

2 Select Inventory

- Use the search bar to find the ASIN you want to create a Small and Light listing for.
- Click the dropdown icon next to the **Edit** button to the far right of the listing information (Do not click the **Edit** button itself).
- Select **Add another condition** from the dropdown menu.

The screenshot shows the Amazon Seller Central 'Manage Inventory' interface. At the top left, the 'Manage Inventory' title is highlighted with a red box. Below it, there is a search bar with the text 'Search SKU, Title, ISBN, .' and a 'Search' button, both highlighted with a red box. The search results show 471 products. A table with columns for Status, Image, SKU, Product Name, Date Created, Available, Fee, Price, Business Price, and Lowest Price is visible. The 'Edit' button for a product is highlighted with a red box, and a dropdown menu is open next to it, with 'Add another condition' highlighted in red.

3 Input your Offer Information

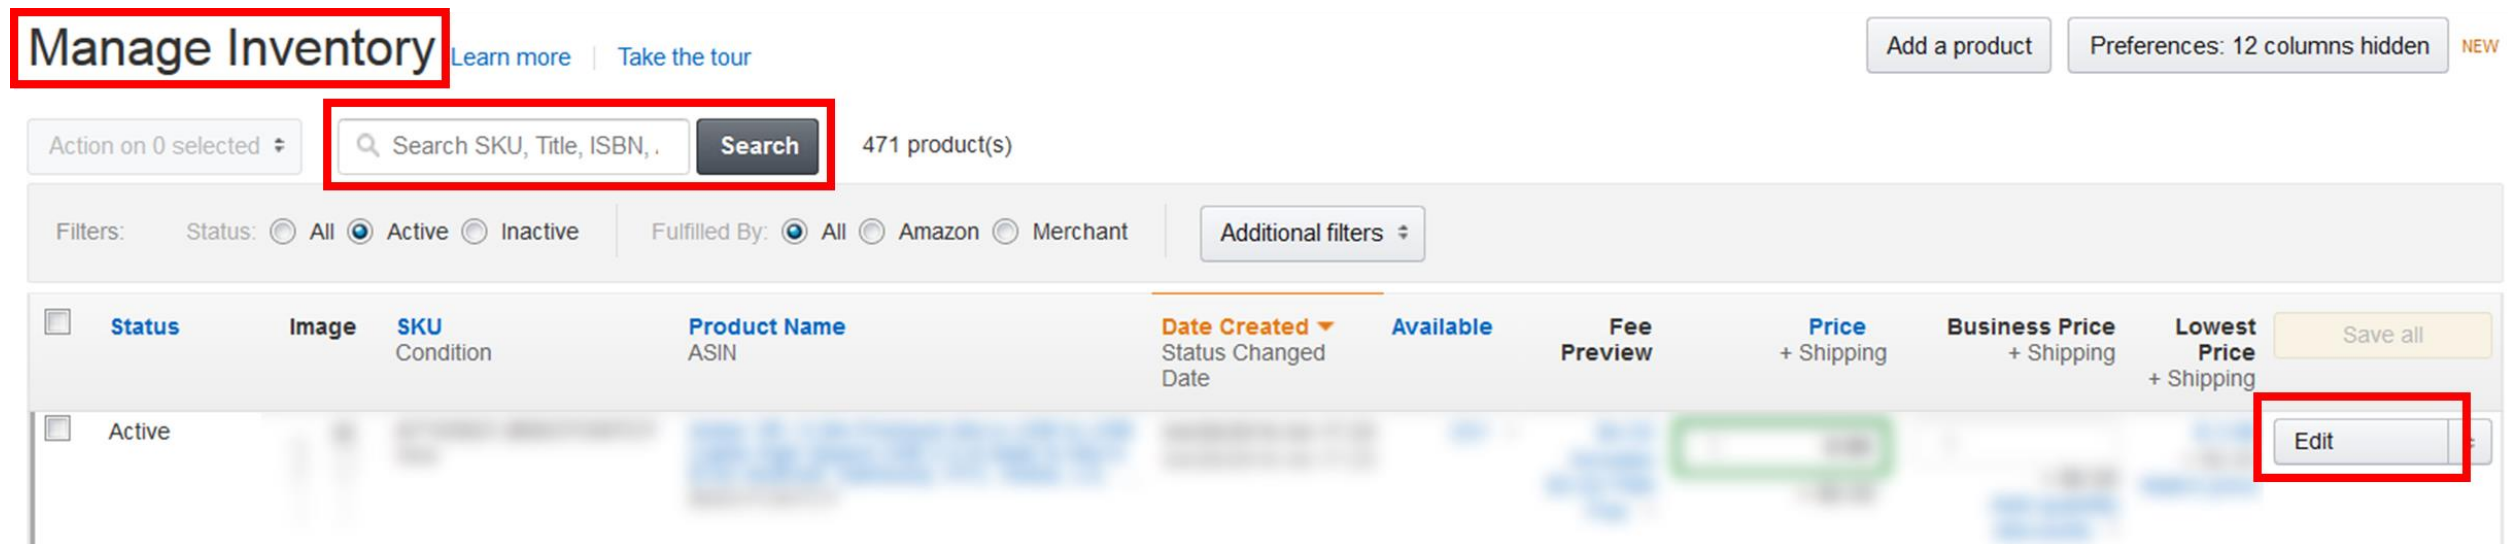

- Enter your new Small and Light SKU in the SKU field.
- Input all required fields:
 - Quantity: 0
 - Condition: New
 - Price: \$7 or less
- Scroll down to the **Fulfillment Channel** section and select **I want to ship this item myself to the customer if it sells.**
 - Do not convert this listing to FBA until **after** your new SKU has been successfully enrolled into the Small and Light program. Prematurely setting your listing to FBA may result in enrollment errors.

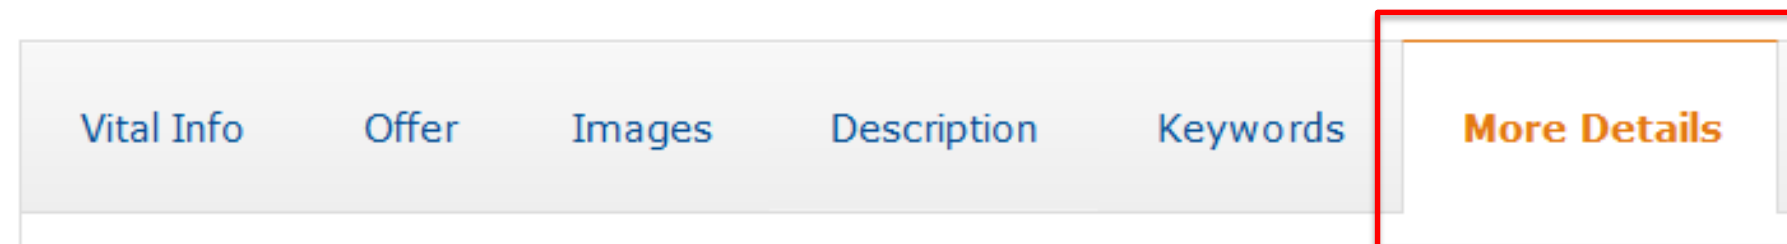

- Click the **Save and finish** button at the bottom of the page.

4 Add Package Dimensions and Weights in Seller Central

- Use the search bar to find your newly created Small and Light listing.
- Click the **Edit** button at the far right of your listing information.

- Scroll downwards on the Product Info page and click the **More Details** tab.

4 Add Package Dimensions and Weights in Seller Central

- Enter your **Package Dimensions** and **Weight** by clicking directly into each field.
 - Specify the unit of measurement by selecting an option from the dropdown menu.
- Click the yellow **Save and finish** button at the bottom of the page.

The screenshot shows a form with the following elements:

- Package Dimensions** (header)
- Length** (input field)
- Height** (input field)
- Width** (input field)
- Select -** (dropdown menu)
- Weight** (input field)
- Select -** (dropdown menu)
- Cancel** (button)
- Save and finish** (button)

Red boxes highlight the 'Package Dimensions' header, the 'Length', 'Height', and 'Width' input fields, the first dropdown menu, the 'Weight' input field, the second dropdown menu, and the 'Save and finish' button.

5 Enroll Your SKUs Into the Small and Light Program
