

**Service and Repair Instructions**

Your Kenneth Cole New York watch is warranted for lifetime against all defects in material or workmanship if purchased in the USA only. This warranty does not apply for normal wear and tear or abuse. It excludes battery, case, crystal and strap malfunction and deterioration resulting from accident, negligence and tampering. In the event of a defect or malfunction, your watch will be repaired or replaced at our option. No additional charge will be made unless additional servicing is necessary like the replacement of parts not warranted.

To have your watch repaired, please print and enclose this sheet completely filled out along with your watch - carefully packaged - and either a money order or credit card information to cover the desired replacement parts and/or repair. You may reach us at 1-800-874-0907 if you have any questions.
