

WATCH WARRANTY INFORMATION

Limited Warranty

Lacoste Watches warrants to the original consumer that his/her watch will be free from defects in materials and workmanship under normal use for a period of two (2) years from date of purchase. During this period, the watch movement will be repaired or the watch will be replaced (at the sole discretion of Lacoste Watches) free of charge, if it proves to be defective in material or workmanship under normal use.

This limited warranty does not cover batteries, straps, gold plating, scratches or any damage arising from normal wear, accidents or misuse, or from any alteration, service or repair performed by any party other than a Lacoste Watches Authorized Service Center.

Any other warranty provided by the retailer is entirely their responsibility. No person or company is authorized to change the terms of this warranty. This warranty gives the consumer specific legal rights. He/she may also have other statutory rights which may vary from state to state and country to country.
