

Seiko – Limited 3 year manufacturer’s warranty

Limited 3 year factory warranty. The first year is worldwide warranty. The second and third years are only valid for service in the United States

Seiko’s warranty terms:

We warrant that if your SEIKO watch described on the enclosed Certificate of Limited Warranty proves, on presentation by you within three years from the date of original retail purchase, to be defective in material or workmanship and provided the watch was purchased from an authorized SEIKO retailer, we will, at our option, regulated, adjust, or repair or replace parts or movements, without charge to you, subject to the following limits and exclusions:

1. To obtain service during the first year of this warranty, you must present or send your watch together with the enclosed certificate of limited warranty (which must be properly filled in by the authorized Seiko retailer with the indicated information at the time of the purchase) to any of the organizations in the Seiko worldwide service network listed at the end of the booklet. To obtain service after the first year of the warranty, you must present or send your watch together with the properly filled in certificate of limited warranty, as noted above, to one of the service locations in the United States listed at the end of this booklet.
2. The limited three-year warranty and remedy set forth above is in lieu of all other warranties, express or implied, including any warranty of merchantability and warranty of fitness for a particular purpose, and all other remedies, obligations or liabilities on the part of the Seiko.
3. In addition, we hereby disclaim liability for indirect, special and consequential damages for breach of any express or implied warranty, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, with respect to this watch.
4. The duration of any implied warranty which might exist by operation of law shall be limited to three years from the date of the original retail purchase.
5. This warranty does not cover the watch band made of a material other than metal, crystal, glass, battery, or any watch accessories, including, but not limited to, any pouch or belt attached to the watch.
6. This warranty does not apply to damage while in the possession of the consumer not resulting, in our sole opinion, from a defect in material or workmanship.
7. This warranty does not apply to damage caused, in our sole opinion, by tampering with or opening the watch or by other than normal use or defects or damage resulting from repairs performed other than by an authorized service facility listed in this booklet.
8. This warranty does not cover water damage unless your watch is designated as being water resistant.
9. This warranty does not cover scratches on the case caused by use.
10. Photocopies of certificate of limited warranty or certificate of limited warranty which have been altered or tampered with will not be honored.
11. All postage, insurance and shipping costs incurred in presenting or sending the watch to the service facility are your responsibility. In some jurisdictions outside the United States, as service fee may be charged. To find out the service fee outside the United States, if any, contact the service facility to which you will present or send your watch.

This warranty is transferable.

Some states of the United States and some jurisdictions outside the United States do not allow the exclusion or limitation of consequential damage or limitations on how long an implied warranty lasts so the above exclusion or limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state in the United States and from jurisdiction outside the United States.
