WARRANTY NOT VALID WITHOUT A RECEIPT**

Your US Polo Association watch is warranted to the owner for a period of 10 years from the original date of purchase against defects in materials and workmanship. (Do not return watch to your dealer.) This warranty does not apply to case, crystal, strap, bracelet or batteries. Cases are not gold plated and may tarnish. This warranty is extended in compli-

ance with standards set forth in the "Mangnuson-Moss Warranty-Federal Trade Commission Improvement Act." Liability is limited solely to the repair of the watch. We disclaim liability for consequential damages for breach of any expressed or implied warranty including merchantability or fitness for purpose. If this watch develops such defects within this period, it will be repaired or replaced (a watch of equal value and similar appearance will be supplied.) At our option-provided it is returned with \$6.50 money order to cover cost of postage

& handling. No additional charge will be made unless the ten year warranty period has expired or servicing is necessary for reasons beyond our control, such as accident, misuse, neglect, or replacement of parts not warranted such as noted above required. The above remedy is exclusive and the company shall NOT be liable for any incidental or consequential damages. This warranty is void if the watch has been tampered with, damaged by water, or ill treated, or if the defect is related to servicing not performed by us.
