

FBA EFN Promotion

Get a discount of 10% on EFN Fees for products sold on Amazon.fr and fulfilled through Amazon's European Fulfilment Network

From 22 October 2012 to 31 December 2012, we will apply a discount of 10% on your EFN fees for all products that are sold on Amazon.fr. Best of all, there is no limit to how much you can save during the promotion period. List your products on Amazon.fr today and start enjoying your savings.

To take advantage of this promotion, you need to have a single, unified seller account. If you don't have one, check out the [Amazon Europe Marketplace Account](#) page for instructions.

You should use Amazon's European Fulfilment Network to fulfil your customers' orders on Amazon.fr. Please check out the [Selling in Additional Amazon Europe Marketplaces](#) page for more information.

During the promotion period, the discounted EFN fee in France will be applied to all units shipped through EFN for orders placed on Amazon.fr. The original EFN fee will be restored after the promotion ends (as of 1 January 2013).

How it Works

- Eligible products must be sold on Amazon.fr and shipped by the European Fulfilment Network from the UK, Germany or Italy between 22 October 2012 and 31 December 2012
- The discount will be applied when we charge the EFN fee for each eligible product
- You must be a unified account user in the EU marketplaces and use EFN to fulfil your products

Costs and Fees NOT Covered by the Discount

The discount will only be applied to European Fulfilment Network fee for sales on Amazon.fr. It will NOT cover any portion of any other costs and fees that you may incur including, without limitation, the following:

- Standard Fulfilment by Amazon fees
- Fees related to the storage, return or disposal of inventory or any optional service
- Any sales or subscription fees for any Amazon programme

Additional Terms

- This offer is void where prohibited
- Amazon may terminate or modify the terms of this offer at any time at its sole discretion
