

GUARANTEE

Your Citizen Watch is guaranteed against defects in material and workmanship for five years from the date of purchase. This five year guarantee is applicable in the UK, Eire, USA & Canada only.

However if you take your watch outside these countries, Citizen's International Guarantee applies and is valid for one year from the date of purchase.

Please ensure that the guarantee details on the back cover of the guarantee booklet supplied with the watch are completed and / or retain a proof of purchase.

The guarantee card should be included when sending your watch to a Citizen Service Centre.

CONDITIONS

Please note:

1. The guarantee applies only to defects arising from faulty materials or workmanship. Damage to any part of the watch, however caused, is not covered by the guarantee.
2. The guarantee will be rendered void if the watch is tampered with or repaired other than by an authorised Citizen Service Centre.
3. The power cell in quartz watches (not applicable to mechanical watches), is inserted before shipment from the country of origin and may have a remaining life at the date of purchase which is shorter than the guarantee period. This guarantee does not cover the power cell.
4. In the United Kingdom and Ireland the guarantee does not affect the statutory rights of the consumer.
