

NEET Cut-Off Statistics in Past 4 Years

National Eligibility Cum Entrance Test (NEET) is the only medical entrance test organized for admission in medical courses that's why a large number of students appear for this exam. The comparative analysis of the AIPMT (NEET Phase 1) and the NEET phase 2 shows that the NEET examination was the tough examination. This is a major challenge for the students who have been studying the state board Syllabus. Our advice for such students is that they can crack it easily if they follow some strategy.

Every NEET aspirant has to set a target marks first. To set the target, you must know the cut-off marks for the previous year. To help you in this we are sharing some of the vital stats that will help you judge your preparation meter. It will also help you

1. Prepare your plan for next 5 months
2. Stress upon the strategy
3. Set your goal
4. Give you a direction as how much more preparation is required.

Following table lists the qualifying Percentile required to be eligible for the NEET Counselling. .

NEET 2016 cut off marks

Category	Qualifying Percentile
Unreserved	50 th percentile
Scheduled Caste/Scheduled Tribes/ Other backward classes	40 th percentile
Physically handicapped	45 th percentile

In case of tie up following measures will be taken to decide the rank.

In case of two or more candidates obtaining equal marks in NEET 2017, the inter-merit of such candidates will be determined in order of preference as follows:

- Candidate obtaining higher marks in Biology in NEET 2017
- Candidate obtaining higher marks in Chemistry in NEET 2017
- Candidate with less number of attempted wrong answers in all subjects of NEET 2017
- Candidate older in age will be preferred

Merit list of counselling under 15% All India Quota seats:

The merit list of the eligible and successful candidates under 15% All India Quota seats will be prepared by the CBSE on the basis of score obtained in NEET 2017. The merit list will be equal to the number of seats available for allotment of MBBS/BDS courses under 15% All India Quota seats. There will also be a waiting list equal to 4 times of

merit list. Further, the list of successful candidates will be forwarded to the Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India for the purpose of allotment of seats by online counselling.

NEET Cut off 2016
