

Sound Storm

Platinum Online Dealer Warranty

When you purchase a qualified Sound Storm product from Amazon, you will receive our Authorized Platinum Online Dealer Free Extended warranty program as shown below.

Mobile Video, CD / DVD Receivers

3 Years Total

(This includes all in-dash, flip down overheads, headrest monitors and DVD players)

Sound Storm will extend the warranty from **one** year to an additional **two** years. A **three** year total warranty directly to the original consumer.

Subwoofers, Speakers, Tweeters, ATV/UTV and Motorcycle Sound Systems

3 Years Total

Sound Storm will extend the warranty from **one** year to an additional **two** years. A **three** year total warranty directly to the original consumer.

Amplifiers

6 Years Total

Sound Storm will extend the warranty from **one** year to an additional **five** years. A **six** year total warranty directly to the original consumer.

Other Electronics and Accessories

1 Year Total

There is No Extended warranty available on these items.

Terms and Conditions: Please contact Amazon for service during the first year of ownership.

After the first year, please contact Sound Storm Directly for service under the extended warranty period listed above.

The extended warranty is valid only on products Sold and Shipped by Amazon.com. This offer is not valid on purchases made from third party market place sellers who are not Authorized Platinum Dealers.

The extended warranty is valid only on purchases made and shipped within the U.S. and only covers parts and labor to repair the unit.

This program cannot be combined with any other extended warranty program.

Effective date is 3/14/2015. Any purchase made prior to this date will not qualify for this program. All other conditions of the original warranty apply.

To get service on any product that falls under the Extended Warranty call (800) 999-1236 ext. 2239 or email to: <http://bossaudio.com/support/>, an original or copy of dated purchase receipt is required to validate the warranty and a statement of the problem with the product is needed.
