

Logitech® Z-2200

2.1 configuration • THX® Certified • Wired Remote

Logitech's Z-2200 speakers deliver uncompromising THX-certified audio performance. Discriminating music lovers will appreciate its powerful, distortion-free bass, clear highs, and rich mid-range.

What is THX certification? It means that professional audio specialists at THX, the world-renowned company founded by George Lucas, have certified the performance, accuracy, and quality of the Z-2200 speakers. And once you hook them up to your PC or music player, you'll hear the difference immediately: Rich, clear highs and mid-range. Booming, distortion-free bass. All in a sophisticated design that will look great on any desktop or living room. Plus you'll get the full-featured SoundTouch™ wired remote control for convenient control over the listening experience in a compact, space-saving design.

- Enjoy THX-certified sound from your music, movies, and games with the subwoofer and two satellite speakers
- Conveniently control volume and power with the wired remote, which features an LCD screen and headphone jack
- Experience the intensity of polished aluminum phase plug drivers that combine the clarity of a tweeter with the richness of a separate mid-range
- Feel twice the bass of conventional designs with our patented subwoofer design
- Place the satellite speakers on a shelf or securely mount them to a wall

Uncompromising THX-certified performance for discriminating music lovers

- 8-inch long-throw subwoofer driver with flared bass port pounds out powerful, distortion-free bass.
- Polished aluminum phase plug satellites combine two drivers into one: the clarity of a tweeter with the richness and fullness of a separate mid-range.
- Exercise complete control over your listening experience with the full-featured SoundTouch™ wired remote control, featuring LCD screen, headphone jack, and volume controls for both the entire system and the subwoofer
- Pedestals rotate easily for wall mounting or desk placement.
- Innovative design features removable grilles & aluminum phase plug drivers.
