WHAT SIZE RAISED TOILET SEAT DO I NEED?

Raised toilet seats come in 2 different sizes:

- Standard Round Toilet Seats - A diameter of 16.5” (front to back)
- Elongated Toilet Seats - A diameter of 18.5” (front to back)

To determine what size raised toilet seat you need, follow the measurement guide below.

HOW DO I MEASURE MY TOILET BOWL?

To ensure that you are correctly measuring your toilet bowl, **measure from the center front of the toilet bowl to the center of the mounting holes.**

Drive raised toilet seats fit all major leading toilet manufacturer's toilet bowls.
