

## Victor® Electronic Rat Trap

### Instructions

#### **To Set & Place the Rat Traps:**

1. Be sure the trap is in the "OFF" position
2. Insert a small amount of peanut butter through a bottom hole on the back of trap.
3. Open battery compartment and properly insert batteries - 4 "C".
4. Identify location with rat activity. Place trap where activity has been seen.
5. Turn switch to "On." Green light will flash once. Trap is working.
6. Once caught, dispose of rodent in trash receptacle.

**CAUTION: Inappropriate use of this product may cause electrical shock, or serious injury. Never use this product around small children, small household pets, life support devices and combustible materials. See product warning for additional details.**
