In a few easy steps,
we'll show you how to
assemble your caddy
so it will **fit securely**
in your shower.

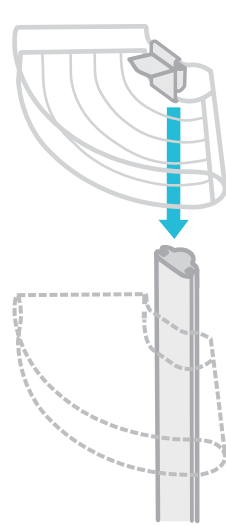

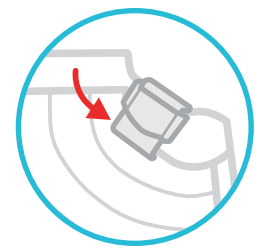

what's in the box...

1 slide on the shelves

First, assemble the shelves.

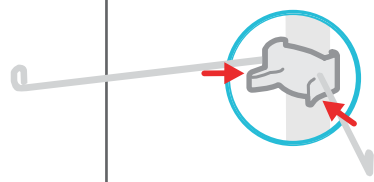

- Snap a lock tab onto each shelf.

Then slide the shelves onto the main pole.

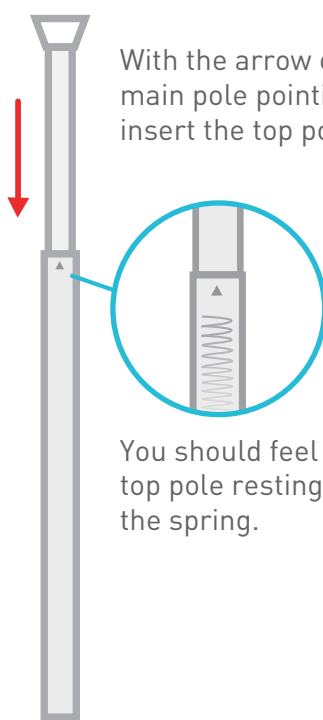

- Flip the tab closed to lock the shelf into place.

Tip: Be sure to slide the shelves onto the pole in your preferred order.

- To attach the hanger, squeeze the side tabs and clip it to the main pole.

2 assemble the main tension pole

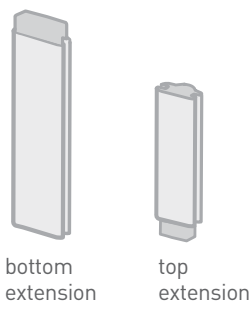

With the arrow on the main pole pointing up, insert the top pole.

You should feel the top pole resting on the spring.

3 configure for your space

- Measure your space and refer to the chart to see which extensions are needed.

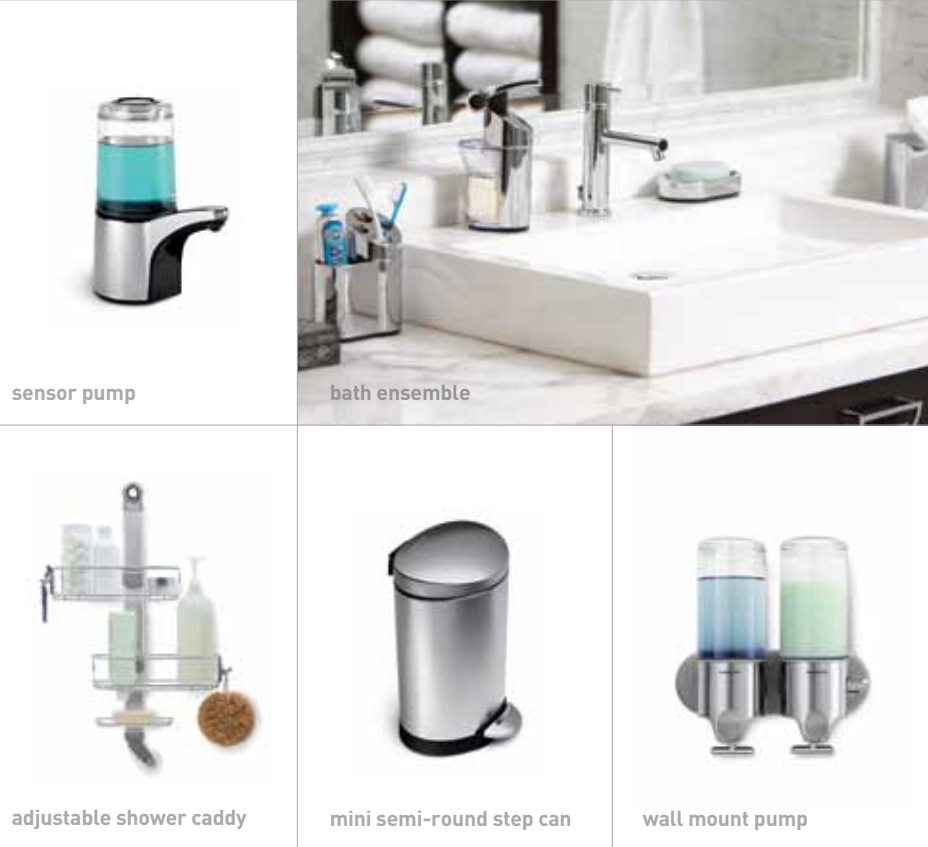

- To add an extension, pull off the foot (if it's the top extension), insert the extension, and replace the foot.

6' to 6'11"	6'11" to 7'2"	7'2" to 8'3"	8'3" to 9"
183 to 211 cm	211 to 218 cm	218 to 252 cm	252 to 274 cm
no extension	top extension	bottom extension	top + bottom extensions
