If you still experience problems, promptly contact the company you purchased it from for assistance. There are some precautions you can take to ensure the warranty process goes smoothly.

## Keep Your Receipt!

The original dated sales receipt will be necessary for any warranty claim. Do not send any unit directly to us without prior authorization from our service department! Warranty coverage is limited to repair or replacement (at our option) of the microphone, and does not cover incidental damages due to use of the unit, nor damage caused by accidental misuse of the product.

## Purchase MXL Products from Authorized MXL Retailers!

MXL microphones are sold by a network of authorized retailers, both traditional and online. MXL dealers are selected for their knowledge and ability to provide the service required in providing professional products. Our warranties are only valid when accompanied by an original sales receipt from an MXL authorized dealer.

Because MXL cannot guarantee that product purchased from unauthorized dealers or websites is genuine, new and/or fit for purchase, MXL does NOT offer any manufacturer's warranty or rebates for products purchased from a dealer that is not authorized by MXL.

Always check that the seller is an authorized MXL dealer, especially if you are purchasing product online. If you are unsure of the authenticity of a dealer, please email [sales@mxlmics.com](mailto:sales@mxlmics.com) or call MXL Customer Service at (800) 800-6608 or (310) 333-0606 (outside the US) and we will confirm the status of the dealer.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
