

## Joule Specs

---

### Weight and Dimensions

Size 11.0 x 1.85 inches  
Weight 1.28 lbs (580 g)

---

## **Performance**

1100 watts heating power

Temperature accuracy

0.2 °F / 0.1 °C

Maximum water temperature

208 °F (98 °C)

Maximum bath volume

10+ gallons (40+ liters)

---

## **Communication and Control**

Bluetooth Smart 4.0 wireless technology

IEEE 802.11 b/g/n Wi-Fi compatible (2.4Ghz Only)

---

## **Vessel requirements**

Minimum water depth

1.5 inch (38mm)

Maximum water depth

8 inch (203mm)

---

## **System Requirements**

iOS 8.0 or later

Android 4.4 or later

Internet access required for some features

---

## **Electrical and Operating Requirements**

Line voltage 100 to 120 V AC

Frequency 50 to 60 Hz, single phase

---

## **Safety & Security**

Secure data transfer over WiFi and Bluetooth Smart

Thermal cutoff protection

High current protection

---
