

Warranty Information

Lifetime strives to make products that stand up to the wear and tear of your active lifestyle. You can trust Lifetime products because of the way we design, build, and test them. We make products that are simple to own and easy to maintain. This all adds up to un-matched value on products you can count on time after time.

Lifetime offers a comprehensive warranty on all of our parts and products. This warranty covers any manufacturing defect for varying durations of time. Please refer to the factory label, your instruction manual, or warranty card to find warranty details.
