

BRAZEN^{PLUS}

Customizable Temperature Control Brew System

Product Name: Brazen Plus Customizable Temperature Control Brew System

Short description: The Brazen Plus brew system has features not found on any other consumer coffee maker. Settings are adjustable for water brewing temperature and pre-soak like found on many commercial brewers. Set your brewing temperature between 190F and 210F with accuracy to within 1 degree. A patent-pending feature allows temperature calibration with altitude correction. The oversized shower head and pulsed water flow ensures complete coffee bed saturation for terrific coffee extraction. 2-year warranty. Permanent filter included or use paper filters. Thermal carafe with brew through lid keeps coffee hot. The Brazen Plus is one of the very few as Home Brewer certified by the Specialty Coffee Association of America.

Tagline: The craft coffee brewing experience at home.

Features:

Capacity: 1.2 Liter, 40oz, 8 5oz cups

Temperature Control: Set brewing temperature from 190F-210F (88C-99C)

Programmable Brew Start Time: Wake up to coffee with timed brew setting

Ideal Coffee Extraction: Coffee grounds are fully saturated due to oversized showerhead and pulsing of the water flow.

SCAA Certified for brewing quality based on specialty coffee industry standards (Specialty Coffee Association of America)

Elevation calibration: Adjust your brew temperature based on elevation to achieve a hot cup of coffee regardless of how far above sea level.

Thermal carafe with brew through lid keeps coffee hot

Pre-soak setting allows the coffee to bloom before brewing for better flavor

Stainless steel water reservoir that's easy to fill

Permanent filter included or use paper filters

Memory save: Settings remain, even if the power goes out.

Sleep mode: Saves power when not in use

2 year warranty

UPC: 862312000020

Dimensions: Gift box: 10.5" X 10.5" X 17.25"H Weight: 10 lbs Product: 9" x 9" x 15.25" H

Pallet Info: Row: 12 units (6 master cartons) pallet of 36: 400 lbs, 60"H; pallet of 48: 520 lbs, 76" H
