

SETUP INSTRUCTIONS

1 A wireless receiver attached to the USB adapter can be found in the accessory box. Plug one end of the cable into your PC, and the other end into the USB adapter and receiver.

- The receiver can also be used plugged directly into your PC. However, using the cable and adapter when in wireless mode is recommended and allows for better connectivity and easy access to the cable for recharging.

2 Turn mouse on via the switch on the bottom of the mouse.

3 Download Logitech Gaming Software
