

Limited Warranty

Danner Manufacturing will repair or replace any pump found to be defective with (x ^{see below}) years of the original date of purchase.

Warranty does not cover replaceable filtering material.

Damaging, cutting, or altering power cords voids **ANY** warranty consideration.

For warranty service, return the defective item to us.

Please include a dated proof of purchase and \$5 USD for handling.

Damage or injuries resulting from misuse or negligence of the product are not covered by warranty.

All warranties require a valid proof of purchase (i.e. receipt, invoice, credit card statement, or check duplicate.)

Warranties start at date of **purchase**, not first date of item use.

Warranties do not renew.
