

Setting Up Your Tile App

To begin using your Tile, please follow these instructions:

1. Download the [Tile app](#).
2. Open the Tile app and register for an account.
3. Enter your email address.
4. Create a new password.
5. Open the confirmation email you'll receive in your inbox to confirm your email address.
6. Open the Tile app and log in with your email address and newly created password.
7. Follow the prompts to allow Tile access to Bluetooth ® and Location Finding so you can see your Tiles on a map.

Linking Your Tiles to the App

Adding a Tile to your app is easy! Just follow these quick instructions for each new Tile that you would like to use:

1. Add a Tile: Tap the + button to add a Tile.
2. Press the "Tile" button or "e" button firmly on the Tile until you hear it play a tune.
3. Place the Tile on your device as directed by the app.
4. Pick what your Tile is going to be attached to
5. Activate your Tile.
6. Be happy because now you can always find your stuff!
