

Warranties

Our products are warranted to be free from defects in materials or workmanship for one year from the date of purchase (original invoice date). Within this period, Across International will, at its sole options, replace any components that fail in normal use. Such replacement will be made at no charge to the customer for parts or shipping.

Note: This warranty does not cover failures due to abuse, misuse, accident, unauthorized alteration or repairs or consumable products such as (but not limited to) grinding media, quartz and alumina tubes, crucibles, heating elements, and thermocouples.

Some items have additional warranty available for purchase. Please contact us at (888) 988-0899 or info@acrossinternational.com for more information
