

Limited Warranty

The MUSIC Group is committed to providing the highest quality products, service and user experience for our customers. One element of this commitment is our after sales support which now incorporates our extended Limited Warranty that we are pleased to present here. In the event of any concern that is not addressed by this extended Limited Warranty we would ask you to contact us at care@music-group.com.

1. Limited Warranty

1. This Limited Warranty is valid only if you purchased the product from a MUSIC Group authorized Reseller.

Customers can extend the Limited Warranty to a full three years for products sold in countries served by MUSIC Group operated Service Centers including:

- Austria
- Belgium
- Canada
- China
- Denmark
- France
- Germany
- Italy
- Japan
- Netherlands
- New Zealand
- Portugal
- Spain
- Sweden
- United Kingdom
- USA

In the event that you purchased your product elsewhere, please refer to MUSIC Group [Partners](#) and [Service Centers](#) for the MUSIC Group distributor in the country of purchase.

2. MUSIC Group* warrants the mechanical and electronic components of this product to be free of defects in material and workmanship if used under normal operating conditions. This Limited Warranty is applicable for one year from the original date of retail purchase, unless your country provides a longer statutory warranty, in which case the statutory warranty shall apply. However, MUSIC Group is pleased to offer a warranty extension of up to a total duration of 3 years provided that your product purchase is registered online within 90 days of retail purchase.

If the product displays any defects within the specified warranty period and that defect is not excluded under clause 4, MUSIC Group will either repair or replace

the product using new or reconditioned product or parts. In the event that MUSIC Group decides to replace the entire product, this Limited Warranty shall apply to the replacement product for the remaining initial warranty period from the date of purchase of the original product only.

3. Upon validation of the warranty claim, the repaired or replacement product will be returned to the user freight prepaid.
4. Warranty claims other than those indicated above are expressly excluded.

IMPORTANT

We ask that you please retain your purchase receipt. This is your proof of purchase and your Limited Warranty will commence from this date. If you do not retain your purchase receipt then this Limited Warranty will be void. In the unlikely event that you require to exercise this Limited Warranty, we will need you to provide a copy of this purchase receipt. Without this we will unfortunately not be able to process your request for warranty repair.

2. Online Registration

Please do remember to register your new MUSIC Group equipment within ninety (90) days from purchase to qualify for the extended warranty. This can quickly be completed by visiting www.music-group.com or its related brands. We would ask that you read the terms and conditions of our Limited Warranty carefully. If the product purchase is not registered within the first ninety (90) days of your product ownership, this will result in the Limited Warranty being applicable for only one year, or for the period of your country's statutory warranty, whichever is longer.

3. Warranty Service; Return Authorization Number

1. The initial stage of our warranty service, and the quickest means of achieving a solution, is to check if the problem can be resolved by our Online Service. If you are not able to resolve your issue through this route and you need to request warranty service, please contact us at care@music-group.com or use our online request form to request a Return Authorization (RA) Number. All inquiries must be accompanied by a description of the problem, the serial number of the product and a copy of the original sales receipt.
