## PEPPER MILL IMPORTS LIMITED WARRANTY

Pepper Mill Imports offers a limited lifetime warranty on the Atlas, traditional and Athena line of pepper grinders under normal home usage conditions. Any abnormal grinding or misuse such as grinding caustic substances that react with metal in a pepper mill will void this warranty. Exposure to water may also void this warranty. Our pepper mills are not suitable for salt and the salt mills will not grind pepper. This warranty does not cover breakage or changes to the finish that is normal for these mills. To receive service under this warranty enclose a check for \$20.00 shipping and handling in the USA per mill and ship insured to the following address with your full contact information enclosed in the box.
