

# Warranty

By choosing an Ingersoll Rand product, you have selected a well-crafted, highly engineered product from a company with over 125 years of experience in the industry.

To demonstrate our confidence, every piece of Ingersoll Rand equipment is backed by a full warranty. For warranty specifics, availability and details, please contact your local Ingersoll Rand authorized service provider.

To register your air compressor for warranty please use the Sales and Service lookup at the top of each page in our site.

All Edge Series Tools must be sent to the Ingersoll Rand Dallas Repair Center for Warranty Repairs.
