

Quality

Platinum Series LED Lights use only top quality 3w high output LEDs from makers such as US made Bridgelux and Epistar which further ensure the brightest, most complete spectrum possible. What's more, with top quality LED drivers set a static 650mA of output, you're guaranteed a lifespan in the 30,000+ hour range.

All Platinum Series Lights come with a no questions asked 5 year COMPLETE warranty on all lights! If for any reason your light fails within this time period, we will either fix it or replace it, guaranteed.
