

LIMITED LIFETIME WARRANTY

Bernzomatic warrants to the original purchaser that this product is free from defects in material and workmanship for as long as you own your TS4000, TS7000, T757, TS8000, BZ4500HS, or BZ8250. This warranty is valid for all purchases of the TS4000, TS7000, T757, TS8000, BZ4500HS, and BZ8250 on or after June 1, 2016. This warranty does not apply to product that has been damaged as a result of improper maintenance, accident or other misuse, or which fails to operate due to normal wear and tear. This warranty is void if the product is repaired or modified in any way by anyone other than Bernzomatic.

Bernzomatic will repair the product if it proves to be defective in materials or workmanship. At the choice of Bernzomatic, a replacement product may be provided instead of repairing a defective product. The sole obligation of Bernzomatic and your exclusive remedy under this warranty are limited to such repair or replacement.

To make a claim under this Limited Lifetime Warranty, contact any Bernzomatic retailer or contact Bernzomatic directly at 1-800-359-9678. A service representative will assist you. Please provide proof of date of purchase when making a claim.

Bernzomatic makes no other warranties concerning the product. In no event shall Bernzomatic be liable for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
