

Littmann Warranty

A superior policy you can trust

Find stethoscope repair, warranty, and registration info. Plus find answers to questions and see how to contact 3M™ Littmann® Stethoscopes for support.

Your 3M™ Littmann Stethoscope comes with the Littmann Warranty -- if a material or manufacturing defect occurs during the warranty period, we will repair it for free of charge, except in the cases of obvious abuse or accidental damage.

Littmann® Cardiology III™ Stethoscope	5 Years
Littmann® Cardiology STC Stethoscope	6 Years
Littmann® Classic II Infant Stethoscope	3 Years
Littmann® Classic II Pediatric Stethoscope	3 Years
Littmann® Classic II S.E. Stethoscope	3 Years
Littmann® Electronic Stethoscope Model 3100	2 Years
Littmann® Electronic Stethoscope Model 3200	2 Years
Littmann® Master Cardiology™ Stethoscope	7 Years
Littmann® Master Classic II™ Stethoscope	3 Years
Littmann® Select and Lightweight II S.E. Stethoscope	2 Years
Littmann® Teaching Stethoscopes	3 Years

If your warranty has expired, we offer affordable Littmann stethoscope repairs that include replacing the tubing, eartubes, diaphragm, rim, nonchill sleeves and eartips. Replacement parts and accessories can be purchased at go.3m.com/littmannparts.

Where can I find my serial number?

Your serial number can be found engraved on your Littmann stethoscope chestpiece. If your Littmann stethoscope does not have a serial number, please call 800-228-3957.

How do I know when my warranty starts?

Your date of purchase establishes the warranty start date and can be verified on your original purchase receipt.

Warranty and Repair Services

Check to see if your Littmann stethoscope is under warranty and view available service options and pricing using our Warranty Look Up and Service Request Tool.

For Littmann stethoscope service outside the USA, find your location at littmann.com.
