

# Landmann General Barbecue Warranty Conditions

All Landmann barbecues are covered by our warranty for a minimum period of 24 months from the date of purchase. The warranty applies to the original purchaser from the date of purchase and covers manufacturing faults and defects only. If a Landmann product fails as a result of a manufacturing fault or defect under normal use in accordance with the manufacturer's instructions, Landmann, at our discretion will repair, refinish or replace the failed product. Landmann reserve the right to substitute the failed products with a similar product should the model or colour no longer be available. Any replacement will be for the failed product only, where compatible parts are available and not necessarily a complete barbecue. The original warranty period is not extended in the event of a repair, refinish or replacement.

In the event of a warranty claim it is the customers' responsibility to return the product to either the retailer or to the Landmann Service Department along with a copy of a proof of purchase. No claims for warranty will be accepted without a proof of purchase. To make a claim please contact Landmann Service Department on **01480 421720**.
