

# *Chef Essential*

**Who we are?** After seeing so many brands in the home and kitchen industry sell so much of the same product, many of which were stale design along with mid to low levels of quality, we decided it was time to step up the game and provide customers with practical products which we made more attractive and most importantly better quality! Many people were not getting this high level of quality and service when spending premium prices on top brands.

**Result?** Our customers come back to us and simply ask us for more. They have thanked us for allowing them to spend 20-30% less than they would on big brand names. In addition they are seeing the latest trends from a brand that will back their product and provide the personal service that so many consumers crave. We are proud of what we do and we value our customers more than anything.

Chef Essential sells brand name, outstanding kitchen tools. At Chef Essential, we value impeccable quality and uncompromising customer care.

Please contact us if we can be of any help or with any questions you may have.
