

Emerson Fans Warranty

All products are warranted against defects in workmanship and materials for one year from date of sale, except for motors in selected ceiling fan models which are warranted against defects in workmanship and materials for extended periods of time. See the specific limited warranty included in the owner's manual packed with each fan. These warranties do not apply to damage from accident, misuse, or alteration; nor where the connected voltage is more than 5% above the nameplate voltage; nor to equipment improperly installed or wired or maintained in violation of the Instruction Sheet. These warranties are valid only in the fifty states of the United States. No employee, agent, dealer or other person is authorized to give any warranties on behalf of Emerson Electric Co.

The customer shall be responsible for all costs incurred in the removal or reinstallation and shipping of the product for repairs. Within the limitations of these warranties the customer should contact Carrol Appliance, authorized Service Center, at 1-800-654-3545. We will replace parts, or the unit, at our option, at no charge to you with return freight paid by Emerson. It is agreed that such repair or replacement is the exclusive remedy available from Emerson Electric Co. and that EMERSON IS NOT RESPONSIBLE FOR DAMAGES OF ANY KIND, INCLUDING INCIDENTAL AND CONSEQUENTIAL DAMAGE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.
