LIMITED WARRANTY & REPAIR PROCEDURES

Brinno stands behind every product we make with a no-hassles warranty. Warranty coverage may be extended, depending on your region. Brinno Incorporated warrants the product for a minimum of one year from the original date of purchase (invoice date) against defects in material and workmanship under use as instructed by the user’s manual. Brinno, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt/invoice as evidence of the date of purchase. You will need it for any warranty service.

Brinno Incorporated warrants its products against defects in material or workmanship for the time period and as set forth below. Pursuant to this Limited Warranty, Brinno will at its option, (i) repair the product using new or refurbished parts or (ii) replace the product with a new or refurbished product. For purposes of this Limited Warranty, “refurbished” means a product or part that has been returned to its original specifications. In the event of a defect, these are your exclusive remedies.

No returns or repairs will be accepted without a proper RMA approval (return merchandise authorization) by Brinno’s dealers, distributors, or Brinno headquarter in Asia. In order to keep this warranty in effect, the product must have been handled and used as prescribed in the instructions accompanying this warranty. Any tempering of the product or attempts of self-repair voids all warranty. This warranty does not cover any damage due to accident, misuse, abuse, or negligence.

This Limited Warranty is available only to the original purchaser of the product and is non-transferable. For this warranty to be valid, the Brinno product must have been purchased directly from an authorized distributor/dealer/reseller and/or representative of Brinno.

If the Product was shipped internationally by an authorized reseller, the country of original purchase is the shipping point of the reseller. This Limited Warranty is governed by and construed under the laws of the country in which the original Product purchase took place.
