

Warranty

All of our products are covered by a limited one-year manufacturer's defect warranty. The warranty period expires one year from the date of delivery of the item. If a product is found to have a manufacturing defect and the warranty period has not expired, Kitchen Bath Collection will replace part or all of the item as necessary to resolve the defect. Labor costs and items that are included with a purchase as a free gift are not covered by the warranty. Any problem that is caused by abuse, misuse, improper installation or storage, or an act of God (such as a natural disaster) are not covered.

Range Hoods: Please note that it is dangerous to modify or change the item. Any modification to the item will automatically void the warranty, and Kitchen Bath Collection will not be liable for any damages or injuries.

For warranty service, please email us at info@kitchenbathcollection.com with your name, order number, and a brief description of the problem. Our customer service team will contact you within 48 hours.

Our bathroom vanities are hand-made and have natural stone countertops. As such, some of our products may show unique color, texture, or finish that do not necessarily indicate a product defect. Please remember to expect that there will be minor distinctions that make each individual piece unique.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
