

Warranty

A one-year limited warranty on the housing is standard on used products with proof of purchase. The SLB and HOB all brass units have a five-year limited warranty. To obtain return authorization, please [contact us](#).

Please note that use of a shut-off valve between a universal filter (such as the Slim Line 2 or High Output 2) and showerhead voids Sprite's warranty.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
